Los Angeles, CA 90012

Dear Supervisors:

**AMENDMENT OF CONTRACT FOR SAN GABRIEL VALLEY
MEDIANS - LANDSCAPE AND GROUNDS MAINTENANCE SERVICES
IN THE UNINCORPORATED AREA OF HACIENDA HEIGHTS
(SUPERVISORIAL DISTRICTS 1, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to approve expanding the landscape and grounds maintenance service area for the San Gabriel Valley Medians – Landscape and Grounds Maintenance Services Contract in the unincorporated area of Hacienda Heights to include 7th Avenue between Los Robles Avenue and Palm Avenue.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the work continues to be categorically exempt from the provisions of the California Environmental Quality Act.
2. Find that these services continue to be more economically performed by an independent contractor than by County employees.
3. Approve the Amendment 2 to Contract No. 75833 with TruGreen LandCare, located in Gardena, California, for San Gabriel Valley Medians - Landscape and Grounds Maintenance Services to expand the level of service commencing upon your Board's approval at an additional amount of \$3,730 for the current and final contract term, to increase the annual not-to-exceed amount from \$105,379 to \$109,109, and an additional \$10,530 on a month-to-month basis for up to six months.

4. Authorize the Director of Public Works or her designee to increase the contract amount up to an additional 10 percent of each contract period's sum for unforeseen, additional work within the scope of the contract, if required.
5. Authorize the Director of Public Works or her designee to execute the amendment and to approve and execute future amendments to incorporate necessary changes within the scope of work.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to expand the landscape and grounds maintenance service area to include the parkway area in the unincorporated area of Hacienda Heights at 7th Avenue between Los Robles Avenue and Palm Avenue.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). Having a contractor that has the specialized expertise to provide these services accurately, efficiently, timely, responsively, and in a cost-effective manner will support the Department of Public Works (Public Works) in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

Based on the contractor's quoted rate, the requested not-to-exceed increased annual contract amount of \$3,730 (prorated for the remainder of the current and final option year) for the current contract term will increase the annual not-to-exceed amount from \$105,379 to \$109,109, commencing upon your Board's approval, and an additional \$10,530 on a month-to-month basis for up to six months, plus 10 percent contingency for unforeseen, additional work within the scope of work of the contract, if required.

Funding for the amended contract is available in the Fiscal Year 2008-09 Road Fund Budget. Funding to finance the remaining contract term plus the contract's month-to-month extension, for up to six months in Fiscal Year 2009-10 and 10 percent additional funding for contingencies is included in the Fiscal Year 2009-10 Proposed Road Fund Budget request.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Amendment 2 to Contract No. 75833 for San Gabriel Valley Medians – Landscape and Grounds Maintenance Services, which is substantially reflected in the attached form (Attachment A), will continue the contract's current terms, specifications, and conditions. Prior to the Director of Public Works or her designee executing this amendment, the contractor will sign and County Counsel will review it as to form.

On August 1, 2006, Agenda Item 33, your Board approved this contract for an initial one-year period with two 1-year renewal options, for a total contract period of three years, commencing on August 6, 2006, to August 5, 2009, with a month-to-month extension in the final contract term not exceeding a total of six months.

On August 20, 2007, this contract was amended to reflect the contractor's compliance with the increased Living Wage Program hourly rates for the current and subsequent option years of the contract. Under Amendment 1, the contractor's annual contract amount increased from \$99,750 to \$105,379.

Using methodology approved by the Auditor-Controller, Public Works has calculated the cost-effectiveness of contracting for these services. Based on the cost calculations, Public Works has determined that these services continue to be more economically performed by an independent contractor than by County employees.

Since this is a Proposition A contract, Public Works has determined that the contractor continues to comply with the requirements of the Living Wage Program (Los Angeles County Code, Chapter 2.201) and agrees to continue to pay its full-time employees providing County services a living wage.

ENVIRONMENTAL DOCUMENTATION

These services continue to be categorically exempt from the provisions of the California Environmental Quality Act (CEQA). These services are within a class of projects that has been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301 (h) of CEQA because it involves the maintenance of existing landscaping.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

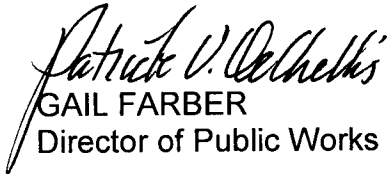

Approval of the amendment will continue the current contract services and expand the service area as shown in Attachment B.
